Dear Sir

My Friend

Mr Theodore F Dwight (who is in the Dept of State in Washington) has very kindly mailed me a catalogue of the photographs published by you of your works of art. He also said that he had some conversation with you in regard to selling them to us at wholesale.

Please write us what your terms would be. and also if you would send us a lot on approval. to be selected from and returned within a week We paying Express charges both ways. We have a fine trade in choice works of art- and we think that we could sell quite a number of your prints

to a drawing and modeling school
in connection with the Corcoran gal-

When I was in Washington
last spring I saw at
your counter ~~two~~ large
photographs, — one a side

of ~~Napoleon~~ last the
sitting statue of Napoleon
can I get them by
sending to you. What
will be the price

Dear Sir

Do you usually
send people photographs that
do not order? The "Lost-
Days" as a photograph loses
all the pathos of the painting
& if I could have had but
one of the three photographs
of Napoleon, I should have
preferred a front view of
the statue. I sent three
pictures unprompted to a friend
as a present & was mortifi-
ed in calling there afterward

to find something different from
what we both expected. If
I come to Washington this winter
I shall bring them for exchange.
~~It will~~ unless you are
willing to send me another
Napoleon (pent.) & let me
return the Lost Days.

Yours truly
J. Vogel & Co
